

**Delta  
Quadrant**

# Table of Contents

<b>Bio-neural Banter</b> . . . . .	4
Just a few words from the editor.	
<b>Old Yellow Eyes is Back.</b> . . . . .	5
Written by Duke Mager	
Art by Judith Medina	
As <i>Voyager</i> continues its journey through the Delta Quadrant, Chakotay begins having some strange dreams. He finally determines that it's his animal spirit guide lending assistance. Will Chakotay's guide give him the information needed to survive an encounter with an old enemy?	
<b>The Merry Go-Round</b> . . . . .	12
Written by Grant Maloy Smith	
Art by Mickey Sayles and Grant Maloy Smith	
Call it a cloud. Call it a subspace anomaly. Call it anything you want, but after getting caught in its midst, the crew must figure a way out. Unfortunately, getting out is more complicated than it seems; Torres is missing.	
<b>Away Team</b> . . . . .	42
Written by Jeff DeMerchant	
Art by Beverly Chick	
Neelix doesn't want to be just the chief cook and bottle washer anymore. Anxious to provide a more active contribution to his ship mates, he requests a position in another department—Security.	
<b>Where No Woman Has Gone Before</b> . . . . .	51
Written by Denise A. Ide	
Art by David Lawrence	
<i>Star Trek: Voyager</i> gives us the first female lead in trek history. The timing is right for an article that examines the history of women in <i>Star Trek</i> .	
<b>Comrades in Arms</b> . . . . .	57
Written by Ann Brill White	
Art by Mickey Sayles and Judith Medina	
Torres has been abducted. (Odd...Torres also vanished in "The Merry Go-Round." Do I detect a pattern here?-ed.) Chakotay leads a team of rescuers on a mission reminiscent of his Maquis days.	

**Crossword Puzzle - The Caretaker . . . . . 88**

Designed by Judith Medina

Clues and solutions revolve around the pilot episode of *Star Trek: Voyager*, "The Caretaker."

**Mystery . . . . . 90**

Written by Duke Mager

Art by Linda Wan

Kes and Neelix are both stricken by some unknown disease. Is the entire crew at risk? Before the doctor can cure them, he must first find the cause?

**Second Chances . . . . . 102**

Written by Madalena Mumford

Art by Madalena Mumford

A character study that gives us some insight into Thomas Eugene Paris, moments after he's been re-instated to Starfleet. Paris reflects on his past and his relationships with his father and his new captain.

**Three Days and Counting . . . . . 105**

Written by Judith Medina

Art by Beverly Chick

Just how did Kes and Neelix meet? And how did the doctor spend his time when the Caretaker abducted the *Voyager* crew, leaving his holographic program running on an empty ship?

**Redeemable . . . . . 131**

Written by Nik Ferante

Art by Madalena Mumford

Why are vessels from the Alpha Quadrant orbiting the fourth planet of the Opas system?

**Crossword Puzzle Solutions . . . . . 146**

Now that you've finished the puzzle, you can check your answers.

**Stranger at My Side . . . . . 147**

Written by Brenda Shaffer, with thanks to Nancy Borden

Art by Mickey Sayles and Madalena Mumford

Chakotay is hurting after Seska's betrayal, and it's up to Janeway to open the pathways between the two so his healing process can begin. He's defensive, she's uncomfortable, and the whole situation's awkward.
